Traditional beliefs about meeting goals are fundamentally flawed.

Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by

THE LEMON DAY was inspired to me from my three-year-old, Kelly, as to how she pronounced "Lemon-aid" . I made a list of those slightly different ways that she

pronounced things and worked a rhyming story around it. Basically, there is a grumpy, not too kind, character who is in a sense a bully. He gets put in his place by the other, kind, characters in the story and has a change of heart. It is a children's story, but I find it to send a positive message to all ages, with the main point being "it's
