Offers a step-by-step guide to mastering the piano and includes coverage of rhythms, chords, finger aerobics, and reading music.

Lang Lang Piano Academy: Mastering the piano, Level 2 (approximately equivalent to Grade 2/Elementary) includes sections on hand coordination, phrasing and developing dexterity.

This new series features carefully selected performance repertoire of the great masters from all eras. Each piece is accessible to students and creates a feeling of accomplishment. Diverse in style and expression, each selection features melodic, rhythmic, or harmonic patterning to allow for ease in teaching and memorization. The CD, performed by Valery Lloyd-Watts, provides a powerful auditory tool for musical interpretation. Valery Lloyd-Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London. She earned a Master of Music degree from the University of Wisconsin, where she studied with Paul Badura-Skoda. She co-authored the text *Studying Suzuki Piano: More than Music*, which was endorsed by Dr. Suzuki.

Play the piano today with an easy-to-use instruction set! Piano For Dummies, 3rd Edition is an invaluable resource for anyone seeking fundamental piano instruction. Whether you're brand new to the piano or have been at it awhile, Piano For Dummies will soon have you licking the ivories like a pro! This book contains all the information you need to start playing today, including clear instruction and supplementary materials. Learn different musical styles, like classical, rock, blues, and country, and how to find the perfect teacher should you decide to expand your instruction. With the widest tonal range of any instrument, the piano is versatile enough to produce melody and accompaniment at the same time. This standout feature is also what makes mastering the piano such a complex affair. Piano For Dummies, 3rd Edition breaks it down into simple, easy-to-follow instruction, written in the characteristically accessible Dummies style. For the beginner, the book serves as a complete introductory course. For the more advanced player, it becomes a handy reference to keep around for periodic refreshers. Topics include: Finding the perfect keyboard, and caring for your piano The intricacies of reading music, including notes, rhythm, and change-ups Melody, harmony, and the building blocks of sound The role of individual technique, and finding your own groove The book also includes advice on practicing efficiently and improving your performance, as well as tips on how to pursue more advanced experiences. A great piano player is always the life of the party, and in high demand. If you're looking to become one with the "88," Piano For Dummies, 3rd Edition is the resource you want!

The Complete Piano Technique book is a carefully structured method, developed over several years, to help you build perfect piano technique from the ground up. It covers every aspect of piano playing technique and you will learn essential scales and arpeggios at the same time!

Now you can master Bach's most beautiful prelude—even if you've never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you'll be able to perform Bach's Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: "If listening to music is soothing for the soul, then playing music is achieving enlightenment." Before you know it, not only will you have learned how to play one of Bach's most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never thought possible. Bravo! Includes four instructional videos supported by select e-reader devices.

An acclaimed multi-volume treatise presents precise and creative exercises for serious pianists and teaches technique, pedaling, fingering, and other methods.

A simple, yet consistent and effective piano course that promotes good playing skills and fingering techniques, resulting in a "feel" for the piano keys while eyes remain focused on the music. The course incorporates a 5-note scale teaching method and includes online video instruction. It is designed for adults but easily adapted to any age. Although a beginning course, it is an excellent review and skill-enhancing course.

This new series features carefully selected performance repertoire of the great masters from all eras. Each piece is accessible to students and creates a feeling of accomplishment. Diverse in style and expression, each selection features melodic, rhythmic, or harmonic patterning to allow for ease in teaching and memorization.
