The Picture of Dorian Gray - Wikipedia

Indeed, in one respect, The Picture of Dorian Gray seems to be a novel of extremely moral sensibilities, since Dorian suffers because he allows himself to be poisoned by a book. In other words, he defies the artistic principles that structure the yellow book.

The Picture of Dorian Gray: Study Questions | SparkNotes

The Picture of Dorian Gray Essay Questions 1 In the preface, Wilde claims that there is "no such thing as a moral or an immoral book," and that an "ethical sympathy in an artist is an unpardonable mannerism of style." Yet Dorian's eventual ruin suggests a strong moral warning against the protagonist's vanity and selfishness.

The Picture of Dorian Gray Essay Questions | GradeSaver

What are some of the activities or interests that capture Dorian Gray's attention in his study of the senses? Dorian, over a period of several years, delves into many areas of interest. Dorian studies embroidered clothing, tapestries, jewels, perfumes, the ritual of Roman Catholicism, mysticism, and music.

Oscar Wilde's only novel tells the story of a man consumed by narcissism and hedonism: Dorian Gray, a beautiful youth who possesses a unique painting of himself that accrues only the marks of age and sin for him, leaving his real face perpetually young, fresh, and innocent. The novel blurs the lines between the Victorian gothic and the fantastic, both celebrating and criticizing the love of life and pleasure that Wilde himself is known for. At the time it was considered so scandalous that Wilde's editor deleted sections without telling Wilde, and yet it still met with enormous backlash and accusations of moral corruption. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the

This Classic Edition published by Virtual University Press contains the full text of Oscar Wilde's gothic masterpiece, "The Picture of Dorian Gray." It is part of a literary series designed for enjoyment by contemporary readers and for classroom use by English, literature,

Download Ebook Picture Of Dorian Gray Study Guide

and writing students. The book includes a study guide, discussion topics, and links to interactive online quizzes, which students can use to assess their grasp of key concepts and events in the story. In this tale of gothic horror, Dorian Gray is a remarkably handsome young man who views a painting of himself and wishes that he could retain his youth and beauty, while the painting ages. His wish is granted, and he embarks on a life of pleasure-seeking and debauchery that has dire consequences. "The Picture of Dorian Gray" is Oscar Wilde's only novel, and in some respects, it was a harbinger of his own descent into a life of self-indulgence. He once said that the three main characters of the story were reflections of himself: "Basil Hallward (the artist) is what I think I am: Lord Henry (the hedonist) is what the world thinks of me: Dorian is what I would like to be--in other ages, perhaps." The book's daring embrace of decadence and sexuality sparked a furor in Victorian-era England. Today, the work is regarded as a great classic, a suspenseful and thought-provoking masterpiece that is as disturbing as it is intriguing.

Research Paper (postgraduate) from the year 1999 in the subject English - Literature, Works, course: Third-Cycle Education / Tercer Ciclo, language: English, abstract: This study analyses the act of reading The Picture of Dorian Gray from the perspective of Reception

Theory. In his critical writings, Oscar Wilde asserts that the receiver of a work of art must play a dynamic role in the construction of its meaning, and the analysis of his only novel shows that Wilde encourages the reader to participate actively in its production in order to be able to find out the lesson which is inherent in it. As a result, the research shows that *The Picture of Dorian Gray* is representative of Wilde's aesthetic principles not only because it promotes the individuality of the reader but also because the moral in it is subordinated to its artistic effects.
