In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me's people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize-winning author N. Scott Momaday.

The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

Don't let your competitors race ahead of you. Get The Official ACT Prep Guide today! The Official ACT Prep Guide 2021-2022 is created by the same people who crafted the ACT. With inside knowledge of the ACT test, the writers of this book packed the guide with practical and useful info to help you ace the test. You'll learn how to approach each question type on the test and how to read and retain info quickly. In the book, you'll find answer keys to all the provided sample questions. Unlike other ACT prep guides, this book includes official information from the people who wrote the ACT test. It includes information regarding ACT super scores and more. Gain an edge with six practice tests designed to whip you into peak ACT shape. Don't waste any more time with guides written by outsiders. The Official ACT Prep Guide 2021-2022 contains all the inside info you need about new additions to the ACT test. The only book with 6(!) official practice tests written by the makers of the ACT Full of advice and suggestions to increase your studying speed Detailed explanations for every answer in the book Includes 400 flashcards online This guide will allow you to do your absolute best on the test of your life. Do not miss out!

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award–winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion*

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, *Freedom Writers: Stories from the Heart*. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

Imagine a study guide actually designed for teachers! Because we know you've got a busy life, we've developed a study guide that isn't like other certification materials out there. With Cirrus Test Prep's unofficial ParaProfessional Study Guide 2019-2020: ParaPro Assessment Review Book with Practice Test Questions for the ParaProfessional Exam you get a swift but full review of everything tested on your certification exam. FREE online resources are also included with your study guide! Imagine having FREE practice questions, digital flash cards, study "cheat" sheets, and 35 test tips available anytime, anywhere on your cell phone or tablet. Cirrus Test Prep's resources will give you the push you need to pass your test the first time. ETS was not involved in the creation or production of this product, is not in any way affiliated with Cirrus Test Prep, and does not sponsor or endorse this product. Cirrus Test Prep's ParaProfessional Study Guide 2019-2020 includes a comprehensive REVIEW of: Reading Skills and Knowledge Application of Reading Skills and Knowledge to Classroom Instruction Mathematics Writing Skills and Knowledge Application of Writing Skills and Knowledge to Classroom Instruction ...as well as TWO FULL practice exams. About Cirrus Test Prep Developed by experienced current and former educators, Cirrus Test Prep's study materials help future educators gain the skills and knowledge needed to successfully pass their state-level teacher certification exams and enter the classroom.
