Prentice Hall America: A History of Our Nation is a program designed to engage today's students in the exciting story of our nation's past. Built around meeting the way you teach and the way your child learns, the program provides different pathways into the content for all levels and types of learners, while providing cutting-edge support developed to provide a "wow!" factor at each stage of instruction. The program is built around Essential Questions designed to stimulate conversation, emphasize source analysis, hands-on learning, and critical thinking with a goal of helping students to achieve an enduring understanding of America's past. Authors focus on the "why" of history--helping students make meaning of what happened long ago and why it remains important to us today. The Survey Edition - supports all American History courses from the beginnings to the modern day The Beginnings Through 1877 Edition - supports courses covering up to the Civil War and Reconstruction. The Civil War to the Present Edition - can be used for the second part of a two-year American History course and includes a review of American History to the Civil War.

Prentice Hall America: A History of Our Nation is a multiple media program designed to engage today's students in the exciting story of our nation's past. while providing cutting-edge teacher support developed to provide a "wow!" factor at each stage of instruction. The program is built around Essential Questions designed to stimulate conversation, emphasize source analysis, hands-on learning, and critical thinking with a goal of helping students to achieve an enduring understanding of America's past. Authors James West Davidson, Michael B. Stoff, and Grant Wiggins, co-author of *Understanding by Design*, focus on the "why" of history--helping students make meaning of what happened long ago and why it remains important to us today. The Survey Edition supports all American History courses from the beginnings to the modern day.

This high-impact program offers students a strong introduction to government, citizenship, and the American economic and legal systems. An accessible narrative and compelling design work hand-in-hand with interactive technology, study guides, and activity-based resources to motivate students to actively participate in government. Expanded economics coverage, research-based reading instruction, and new chapter assessment tools ensure content mastery for all students.
