It was the perfect summer. That is, until Jeremy Ross moved into the house down the street and became neighborhood enemy number one. Luckily Dad had a surefire way to get rid of enemies: Enemy Pie. But part of the secret recipe is spending an entire day playing with the enemy! In this funny yet endearing story, one little boy learns an effective recipes for turning your best enemy into your best friend. Accompanied by charming illustrations, Enemy Pie serves up a sweet lesson in the difficulties and ultimate rewards of making new friends.

This popular book shows students how to increase their power to analyze problems and to comprehend what they read. First, it outlines and illustrates the method that good problem solvers use in attacking complex ideas. Then, it provides practice in applying these methods to a variety of comprehension and reasoning questions. Books on the improvement of thinking processes have tended to be complicated and less than useful, but the authors of this renowned text emphasize a simple but effective approach. The "Whimbey Method" of teaching problem solving is now recognized as an invaluable means of teaching people to think. Problems are followed by their solutions, presented in easy-to-follow steps. This feature permits students to work without supervision, outside the classroom. As students work through the book they will see a steady improvement in their analytical thinking skills, and will develop confidence in their ability to solve problems--on tests; in academic courses; and in any occupations that involve analyzing, untangling, or comprehending knotty ideas. By helping students to become better problem solvers, this book can assist students in achieving higher scores on tests commonly used for college and job selection, such as: * Scholastic Aptitude Test (SAT) * Graduate Record Examination (GRE) * ACT Work Keys * Terra Nova * Law School Admission Test (LSAT) * Wonderlic Personnel Test * United States Employment Service General Aptitude Test Battery * Civil Service Examination New in the 6th edition: A totally new chapter--"Meeting Academic and Workplace Standards: How This Book Can Help"--describes changes in the educational system in the past 20 years and shows how the techniques taught in this book relate to the new educational standards and tests. Changes throughout the book reflect current educational and social realities: the names of some characters have been changed to represent more accurately the cross-section of students attending today's schools; dates in some problems have been changed; in other problems the technology referred to has been updated.

A charming story for dog lovers everywhere--and now a major motion picture!

Never underestimate the power of the bean. Tucker MacBean has been drawing comic books almost as long as he's been reading them. When his favorite comic has a contest for kids, he hopes he has finally found a way to fix his family—all he has to do is create the winning superhero sidekick . . . Introducing "Beanboy"—the first comic book character to truly harness the power of the bean for good. He is strong, he is relentless, he can double in size overnight (if given enough water). With thoughtful characterizations and copious comic book illustrations, this laughout-loud novel will have readers rooting for a superhero with true heart.

Caps for Sale is a timeless classic beloved by millions...one of the most popular picture books ever published! This picture book is an excellent choice to share at home or in the classroom, as children love chanting along with the naughty monkeys. Children will delight in following the peddler's efforts to outwit the monkeys and will ask to read it again and again. Caps for Sale is an excellent easy-to-read book that includes repetition, patterns, and colors, perfect for early readers. This tale of a peddler and a band of mischievous monkeys is filled with warmth, humor, and simplicity and also teaches children about problem and resolution. This classic picture book will be appreciated as a birthday, baby shower, or graduation gift!

58 color reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be used to identify the strengths and weaknesses of your students' thought processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams.

Friends every day Good friends like Frog and Toad enjoy spending their days together. They fly kites, celebrate Toad's birthday, and share the shivers when one of them tells a scary story. Here are five funny stories that celebrate friendship all day, every day.

Kristen's parents bring the new baby home from the hospital. But this baby can't be Kristen's little brother! One night Kristen's mom goes off to the hospital to have a baby. But Dad gets lost on the way, and ends up at the zoo instead. When they get home, Kristen takes one look at the baby and says, "That's not my baby brother - it's an alligator!" So the parents go off to the zoo to find their real baby. They bring back a baby seal, a baby gorilla - but no people baby. So Kristen has to go off to the zoo and fix things herself... This board book edition of a classic Munsch story has been revised and designed for the toddler set!
