Any book by Simon Kernick is worth reading. The most thrilling writer I've read.... The books always move quickly and the plots thicken and twist and turn all over the place. They are never boring and proper page turners that you just don't want to put down.

The #1 international bestseller. One day Tom Meron, a happily married father of two who's never been in trouble, receives a phone call that will change his life forever: his friend Jack Calley, a high-flying city lawyer, is screaming down the phone for help. As Meron listens, Calley is murdered. His last words, spoken to his killer, are the first two lines of Meron's address. Confused and terrified, Meron grabs his children and hurries out of the house as soon as he can. It is only just in time. Within minutes, a car pulls up outside, and three men get out. It's clear that they're coming for him. And with his wife missing, an unidentified corpse in her office, and the police after him for murder, his life's about to get a whole lot more interesting.

Saturday afternoon: you're with the kids in the garden when the phone rings. It's your best friend from school. Someone you haven't seen for a few years. It should be a friendly call catching up on old times. But it's not. This call is different. Your friend is panting with fear, his breaths coming in tortured, ragged gasps. Someone is inflicting terrible pain on him. He cries out and then he utters six words that will change your life forever... the first two lines of your address.

John Meron receives a phone call that will change his life forever: his friend Jack Calley is screaming down the phone for help. As he listens, Calley is murdered. His last words, spoken to his killer, are the first two lines of Meron's address. Within minutes, a car pulls up outside, and three men get out. He's being hunted and has no idea why.

A woman lying sprawled across a huge double bed. She's dead. There's blood everywhere. And the most terrifying thing of all is that I think her killer might be me ...' A traumatic car-crash. A man with no memory, haunted by nightmares. When the past comes calling in the most terrifying way imaginable, Matt Barron is forced to turn to the one person who can help. Ex Met cop, turned private detective, Tina Boyd. Soon they are both on the run

are part of the subsequent investigation that will take them to the heart of one of London's most notorious criminal gangs. What they cannot know is that they've also embarked on a journey that will lead one of them straight into the rifle sights of the enemy.

From the #1 internationally bestselling author of *Relentless*, *Stay Alive*, and *Ultimatum*, a heart-pounding, race-against-time thriller about a carefully orchestrated hostage takeover at a London hotel. London is under attack. An unknown number of its citizens are dead. Many more lives hang in the balance as a group of highly trained gunmen storm the luxurious Stanhope Hotel on Park Lane, demanding the government meet their requests within five hours—or they will blow up the building and everyone still inside it. Shots ring out. Some guests panic. Others text their loved ones. A few try to escape. All are united by their desire to live. And at the center of it all is one man who has information so dangerous that it must be kept safe—at any price. Darkness falls. The gunmen become increasingly violent. One question is on everyone's mind: Will any of them survive the night? "Kernick generates a potent cocktail of thrills" (*The Guardian*) and calls to mind Robert Ludlum and Lee Child in sheer storytelling power and action. With a fast-moving plot and an arsenal of dynamic characters who are at once familiar and full of surprises, *Siege* will keep you on the edge of your seat from its start to its shocking finish.
