These essays explicitly confront a particular crisis in postwar art, seeking to examine the assumptions on which the modern commercial and museum gallery was based.

A good estate strategy is an integral part of healthcare planning. This publication gives best practice advice and includes sample strategies in the form of case studies. It is complemented by two other publications: "Estatecode", which includes a section on property appraisal; and "Capital Investment Manual", which sets out the process for procuring new capital assets.

The leading Latin course worldwide Book V is set in and around the court of the Emperor Domitian and the stories explore the tensions and effects of living under a tyranny. Topics covered include town and country life, the emperor's council, the senatorial career and marriage. Verse by Martial and Ovid is integrated with the stories and themes, and the language notes include a systematic introduction to verse word order. Book V is full colour throughout, with a clear layout of stories and language notes. Featuring a glossary for quick reference and comprehension questions, the book also includes a full explanation of language points and grammar practice exercises.

acknowledged as the UK's foremost mindfulness meditation expert. Like his readers and students, he began his own meditation practice as a normal, busy person with everyday concerns, and he has since designed a program of mindfulness and guided meditation that fits neatly into a jam-packed daily routine—proving that just 10 minutes a day can make a world of difference. Simple exercises, stories and techniques culled from Andy's years of experience will help anyone calm the chatter in their minds. The result? More headspace, less stress. *Get Some Headspace* also brings us the extraordinary science behind this seemingly simple cure-all. This book and practice will help readers positively impact every area of their physical and mental health through mindfulness, from productivity and focus, to stress and anxiety relief, sleep, weight-loss, personal relationships...and the list goes on and on.
