## Read Online Ruby Bridges Goes School True Story

Ruby Bridges tells the story of how she helped end racial segregation in the New Orleans public school system when she was in the first grade.

The extraordinary true story of Ruby Bridges, the first African-American child to integrate a New Orleans school--now with simple text for young readers! In 1960, six-year-old Ruby Bridges walked through an angry crowd and into a school where she changed history. This is the true story of an extraordinary little girl who helped shape our country when she became the first African-American to attend an all-white school in New Orleans. With simple text and historical photographs, this easy reader explores an amazing moment in history and the courage of a young girl who stayed strong in the face of racism.

Ruby Bridges tells the story of how she helped end racial segregation in the New Orleans public school system when she was in the first grade.

In November 1960, all of America watched as a tiny six-year-old black girl, surrounded by federal marshals, walked through a mob of screaming segregationists and into her school. An icon of the civil rights movement, Ruby Bridges chronicles each dramatic step of this pivotal event in history through her own words.

Category: Biography "Please, God, try to forgive those people. Because even if they say those bad things, They don't know what they're doing." This is the true story of an extraordinary 6-year-old who helped shape history when she became the first African-American sent to first grade in an all white school. This moving book captures the courage of a little girl standing alone in the face of racism. "Ford's moving watercolor paintings...capture the...warmth of Ruby's family and community, the immense powers against her, and her shining inner strength." --Booklist

Ruby Bridges just wanted to go to a good school. She did not ask to be a hero, but she knew how to be strong. Her bravery made it possible for classrooms today to be safe places for children of all races.

True or False? When Ruby Bridges went to first grade in New Orleans, Louisiana, on November 14, 1960, she made history.

In 1960, six-year-old Ruby Bridges walked into William Frantz Elementary School in New Orleans, Louisiana. She became the first black student to attend the previously all-white school. This event paved the way for widespread school desegregation in the South. Ruby Bridges and the Desegregation of American Schools explores Bridges's legacy. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

"This book for elementary readers outlines key dates throughout this change maker's life. Full-color photographs and a timeline depict each step in the road to change, from Ruby Bridges's early life through her first steps in an all-white school and her struggles against racism. A

glossary, further resources, and an index are included"--

Ruby Bridges was just six years old when she was chosen to be the first (and only) black child in the all-white William Frantz Elementary School. At the time, Ruby was too young to understand how the simple act of attending school would change the lives of many to come. Her courageous act left the legacy that given a chance, anyone at any age can make a difference in the world.
