Provides details on six different looks--girly, edgy, boho, classic, glam, and indie--and how to customize them; offers advice on accessories; and discusses finding jeans, swimsuits, bras, and underwear to fit one's body type.

Counsels girls on how to make the most of their natural features, with tips on hair styling, skin care, and makeup; insider secrets from celebrity experts; and recommendations for special occasions.

This comprehensive guide helps teens plan their prom night down to the last detail - freeing them up to relax and enjoy one of high school's most anticipated experiences.

Amy Astley, former Teen Vogue Editor-in-Chief, says: "The Teen Vogue Handbook is a dream book, a truly creative book filled with tips on the stylish life from the top people in the industry." The key to this book is the mix of beautiful pictures, career advice and profiles of everyone and every aspect of the fashion industry. There are hugely famous people interviewed (Marc Jacobs, Bruce Weber, Patrick DeMarchelier) alongside assistants and others who are just getting started. The book includes 6 sections: Designers, Editors, Stylists, Beauty, Photographers and Models. And in every section, the people in the profile share simple tips on how to live the Teen Vogue lifestyle, now.

In this unprecedented insider's guide, fashion industry veteran Sasha Charrin Morrison opens her little black book of celebrity stylists and shares their top secrets on creating unforgettable looks, landing a choice job, and working with the pros. Interviews with key players reveal the ins and outs of the glamorous (and often gritty) world of styling, while hundreds of glossy photos illustrate good (and bad) looks. Full of real-life advice, this guide profiles famous image transformations undertaken by stars like Nicole Richie and Katie Holmes, outlines the essentials every stylist must have on hand (double-sided tape, cutlets, manzrierres, Spanx, and more!) and, most importantly, shows how to get a Choo in the door and then survive in this ultra-fabulous, ultra-competitive industry.

Sean McDowell and Jonathan Morrow have penned an accessible yet rigorous look at the arguments of the New Atheists. Writing from a distinctively Christian perspective, McDowell and Morrow lay out the facts so that the emerging generation can make up their own mind after considering all the evidence.

The only thing standing between you and that college life is figuring out where you might want to go, completing your applications, writing a killer essay, scoring solid test scores, shining in your activities, getting glowing recommendations, and . . . okay, that's a lot. But even though being accepted into college can seem big and overwhelming, it doesn't have to be. That's where Seventeen's College Goals comes in. This stress-free guide—part-planner, part journal—will help walk you through the step-by-step process of applying to colleges. There are pages filled with practical cheat sheets, handy life hacks, thoughtful tips, fun quizzes, inspiring quotes from your favorite celebs and leaders, and prompts that will push you to self-reflect. (After all, that's what college essays are all about!) This way, you can freak out less about if you'll get in, and actually start thinking about which school's offer you're going to accept.
