Written by award-winning scholar, Jonathan Turner, Contemporary Sociological Theory covers the range of diversity of theory in nine theoretical traditions, and variants of theoretical approaches in these traditions.

### **Contemporary Sociological Theory | SAGE Publications Inc**

The case of sociology is actually a bit complicated. On the one hand, we can observe scientific progress. We have in many ways moved beyond the theories of Galt and Marx. Their theoretical contributions, however important they still may be, would probably not be accepted by a contemporary peer review sociological journal.

This comprehensive collection of contemporary sociological theory is the definitive guide to current perspectives and approaches in the field, examining key topics and debates in the field. Collects the most representative material available on topics such as symbolic interactionism, phenomenology, structuralism, network theory, critical theory, feminist theory, and the debates over modernity and postmodernity Includes examinations of the work of Foucault, Giddens, and Bourdieu A new section for this edition opens up the debate on power and inequality Thematically organized

Sociological Theory in the Contemporary Era, Second Edition, combines well-edited, important original writings from sociology's core contemporary theorists with introductory text that provides a historical and theoretical framework for understanding them. Authors Scott Appelrouth and Laura Desfor Edles use this unique text/reader approach to introduce students to contemporary sociological theory in a lively and engaging fashion. The text/reader provides not only a biographical and theoretical summary of each theorist's works but also an overarching scaffolding that students can use to examine, compare, and contrast each theorist's major themes and concepts. The book also offers discussions of past social and intellectual milieus to provide a holistic picture of the development of the theories discussed.

Written by award-winning scholar Jonathan H Turner, this is a comprehensive, in-depth and detailed review of present-day theory in sociology.

This book introduces some of the most influential recent sociological theories, each covered in an essay written by the theory's founder or by a leading exponent. Presented in nontechnical language, each essay reviews the key positions and supporting research; many incorporate discussion of critical or opposing positions. This unique book serves as an invaluable advanced introduction or review for

graduate or upper-level students who want to gain an understanding of important theoretical advances. Visit our website for sample chapters!

This unique hybrid of text and readings combines the major writings of sociology's core classical and contemporary theorists with an historical as well as theoretical framework for understanding them. This novel approach provides students the analytical guidance necessary to interpret the readings. No other theory text combines such "student-friendly" explanation and analysis with original theoretical works.

In the Third Edition of Ken Allan's highly-praised Contemporary Social and Sociological Theory book, sociological theories and theorists are explored using a straightforward approach and conversational, jargon-free language. Filled with examples drawn from everyday life, this edition highlights diversity in contemporary society, exploring theories of race, gender, and sexuality that address some of today's most important social concerns. Through this textbook students will learn to think theoretically and apply to their own lives.

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Now available for the first time in print and e-book formats Classical and Contemporary Sociological Theory: Text and Readings offers students with the best of both worlds—carefully-edited excerpts from the original works of sociology's key thinkers accompanied by an analytical framework that discusses the lives, ideas, and historical circumstances of each theorist. This unique format enables students to examine, compare, and contrast each theorist's major themes and concepts. In the Fourth Edition of this bestseller, examples from contemporary life and a rich variety of updated pedagogical tools (tables, figures, discussion questions, and photographs) come together to illuminate complex ideas for today's readers. Attention Instructors! Free digital resources are included with this text. Learn more.

Introducing readers to the most important thinkers and schools of thought in contemporary sociological theory – from Parsons and Merton to the Frankfurt School to Foucault, Bourdieu, Giddens and Hochschild – this accessible textbook firmly locates key ideas in social, political and historical context. By doing so, it helps students understand the development of central sociological concepts and how they can help us understand the contemporary world. The book includes: Lively biographical sections to help readers get to know each thinker Clear and easy-to-understand accounts of each theorist's arguments - and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive textbook brings the diverse field of contemporary sociological theory to life. Essential reading for all students in Sociology and Sociological Theory.

Sociological Theory in the Contemporary Era: Text and Readings combines the major writings of sociology's core contemporary theorists with a historical and theoretical framework for understanding these works. Authors Scott Appelrouth and Laura Desfor Edles use this unique text/reader approach to introduce students to sociological theory in a lively and engaging fashion.
