Spirit Knife According to ancient lore, and cult of the antediluvian pagan deity, Ginsu the Magnificently Pointy, a Spirit Knife consists of a bone blade bonded to the souls of the Mud People. He or she that defended oneself or took the life of an enemy with the Spirit Knife became magically bonded to the blade and, thus, the only person who could touch or wield it in future battle.

Spirit Knife by WESAYYES, released 24 May 2019 And after all, when your back is against the wall I felt the spirit. I felt the knife. Peter and Paul, with your backs against the wall I felt the spirit. I felt the knife. Let the monster in me take control. Let hate in. Let the anger run free from my soul through my skin. And when you fall, and there's no one left to call I felt the spirit.

Renno, the wise and brave white Indian, joins forces with General George Washington to lead his people in the fight against the British who are stirring up trouble among the Indians

Ladies, have you ever been upset with your husband and could not wait to tell him how you felt? Or may be you know and understand your husband so well, you know exactly what to do or say to get what you want. Men, have you ever felt cut and found no blood? Have you ever wondered why your wife seem to react strongly over things you consider "small" or things you consider not to be that important? Or regardless what you do or say it is never enough. Ladies and Gentlemen, if you have any of these questions this book is just for you. This book is designed not only to build up individuals and their marriages but designed to build up a persons character of every walks of life that may be considering marriage and yes, even improving their relationships with their families. So go out and pick up this book, add it to your collection and tell your family and friends that you found a book that reveals what seem to be hidden mysteries that may be preventing you from having a great and fulfilled marriage or healthy relationships in general. This book has proven to changed wives and changed lives.

The Haida world is a misty archipelago a hundred stormy miles off the coasts of British Columbia and Alaska. For a thousand years and more before the Europeans came, a great culture flourished in these islands. The masterworks of classical Haida sculpture, now enshrined in many of the world's great museums, range from exquisite tiny amulets to magnificent huge housepoles. Classical Haida literature is every bit as various and fine. It extends from tiny jewels crafted by master songmakers to elaborate mythic cycles lasting many hours. The linguist and ethnographer John Swanton took dictation from the last great Haida-speaking storytellers, poets and historians from the fall of 1900 through the summer of 1901. His Haida hosts and colleagues had been raised in a wholly oral world where the mythic and the personal interpenetrate completely. They joined forces with their visitor, consciously creating a great treasury of Haida oral literature in written form. Poet and linguist Robert Bringhurst has worked for many years with these century-old manuscripts, which have waited until now for the broad recognition they deserve.

From princess to slave in the blink of an eye. . . . Himiko's world is falling apart. An attack by a rival clan, the Ookami, has left many from her tribe dead or enslaved. Amid the chaos and fear, Himiko hatches a plan to save her people. But just when it seems that she will outwit Ryu, the cruel Ookami leader, she is captured. Held against her will, Himiko starts to realize that not all of the Ookami are her enemies. Though she may not see her path as clearly as the spirits seem to, there's more adventure (and even unexpected love) for this princess turned shaman-warrior. Readers who love strong girl-centric adventures are eating up Esther Friesner's Princesses of Myth books, finding the mash-up of historical fiction and fantasy adventure irresistible! "Himiko is brave and bold. I love her!" --Tamora Pierce, New York Times bestselling author "This historical fiction/mythology/fantasy blend is perfect for fans of Tamora Pierce, Rick Riordan, and P. C. Cast." --School Library Journal

This book on Nanai shamanic culture is based on first-hand information provided by shamans and recorded in the years between 1980 and 2012, a time of rapid socio-cultural change in Russia. It sheds light on the lively indigenous discourse in which social factors such as the splitting of society into different paternal lineages relates to spiritual troubles that Nanai people experience as collective 'shamanic disease.' But inter-clan confrontations are not only mediated in shamanic rituals, as these must not be separated from folk narratives, dances and other forms of art. Furthermore, the book provides profound insights into the plurality of contradictory discourses on indigenous knowledge as well as those delivered in non-indigenous contexts. The latter arose or became more intense in the Soviet and post-Soviet periods, and often led to experiments in new shamanic practices.
