Nisha falls in love with God in the college canteen when she is an impressionable teenager and he a ragged, streetwise student. God's driving ambition leads him into journalism while Nisha lands a job in advertising. Sycophants, court jesters, whores, dirty old men, fixers, pretty boys and party girls drift in and out of their lives as their careers take off with dizzying speed and then, abruptly and harrowingly, everything about their lives goes wrong . . .

Aashi Rani, the unrivalled number one of Bombay cinema, seems intent on ruining her career and her life blinded by a scorching passion that threatens to destroy everything she has attained.

When her parents die in an air crash, Mikki Hiralal suddenly finds herself the owner of the sprawling Hiralal industrial empire. Abandoning her studies in the United States, she returns to Bombay, only to find her father's business affairs in a mess. Almost bankrupt, beset on all sides by creditors, takeover tycoons and unreliable associates, Mikki realizes there is only one person she can turn to for help - the beautiful Alisha, her father's illegitimate daughter.

There is only one hitch- Alisha hates Mikki . . . Set in the corrupt world of big business, Shobhaa Dé tells an engrossing story of two women who play for very high stakes, driven by ambition, lust, greed and hate.

An unforgettable novel of sexual obsession and its calamitous consequences.

A divorce and a succession of sordid affairs have left prominent Bombay socialite Karuna feeling battered, empty and melancholic. She looks back upon her life and the friends and enemies who surround her—neurotic, man-hungry Anjali; gorgeous, vivacious Ritu; high-profile editor Varun, with a penchant for

Scandalous, astute and utterly riveting, Shobhaa Dé's first novel, *Socialite Evenings*, laid bare the world of high-society India and changed the face of the Indian novel forever.

In this delightful book on society's most debated institution, Shobhaa Dé writes about how and why marriages work-or don't. With her usual disregard for rules, she reinvents tradition and challenges old stereotypes, addressing all the issues that are central to most Indian marriages: the saas-bahu conundrum (how to escape the role-trap and enjoy each other),

the need for honesty (aren't some secrets better left secret?), the importance of romance (no, expressions of love are not unmanly!), and not any less important, how to recognize the warning signs in a hopeless relationship and run before it's too late. Fun, savvy and, above all, pragmatic, this is the ultimate relationship book for all those who want to make the adventure of marriage last a lifetime.

Maya is pretty, young and eager to escape her middleclass home. Ranjan is handsome, driven, well born and wealthy. Their arranged marriage seems a match made in heaven until Maya discovers that underneath her husband's charming facade lies a cold-

As the wine and conversation begin to flow at a reunion between six women, who were friends at school, memories start to surface - some happy, others bitter-sweet and a few that are downright poisonous . . . Forced to confront dark secrets that they thought lay buried deep in the past, the women begin to turn against one another and the mood of the party turns nightmarish . . . Sethji is the head of the ABSP, a crucial coalition partner in the government. Shrewd, ruthless and an inveterate fighter, he is a man who refuses to play by any moral codes or lose a single battle. Easing his way is Amrita, his ravishing and aloof daughter-in-law who guards her own secrets. But when two of the country's most powerful men team up to challenge Sethji, the wily old politician has to fight the deadliest battle of his life—a battle in which he must stake everything. The one person he is forced to trust is

The relationship between a mother and her children is unquestionably the most special human bond there is. In this book, bestselling author Shobhaa Dé writes a series of letters to her six children on the key concerns of every mother and child in the twenty-first century: family values and tradition; discipline and the familiar bugbears of telephone calls, late nights and internet chats; growing pains and the adolescent anxieties about love, sex and friendship; religion and
