A pansexual bloodmage reluctantly teams up with an undead spirit to start a rebellion among the living and the dead, in this dark YA fantasy by A.M. Strickland, author of Beyond the Black Door, whom Richard Kadrey calls 'a storyteller of both grace and power.' In Thanopolis, those gifted with magic are assigned undead spirits to guard them and control them. Ever since Rovann's father died trying to keep her from this fate, she's hidden her magic. But when she accidentally reveals her powers, she's bound to a spirit and thrust into a world of palace intrigue and deception. Desperate to escape, Rovann finds herself falling for two people she can't fully trust: Lydea, a beguiling, rebellious princess; and Ivrilos, the handsome spirit with the ability to control Rovann, body and soul. Together, they uncover a secret that will destroy Thanopolis. To save them all, Rovann will have to start a rebellion in both the mortal world and the underworld, and find a way to trust the princess and spirit battling for her heart:if she doesn't betray them first. The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the King (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.
