Karen Armstrong \"Fields of Blood\"A History of God 1-7 The Bible Karen Armstrong—

Karen Armstrong begins her analysis with the origins of the very earliest books of the Hebrew Bible, in which God was called both 'Yahweh' and 'Elohim'. She then traces the development of both the Hebrew Bible and the New Testament to reveal the disparate influences that helped to form these sacred texts.

~~The Bible by Karen Armstrong | Waterstones~~

Karen Armstrong is a great purveyor/interpreter/teacher of religious history and this book (an awe-inspiring task, to write a "biography" of the Bible in a couple hundred pages) is no exception. She concentrates on the liberality in methods of interpretation that were encouraged throughout history and (some might say) over-emphasizes that in an attempt to counter fundamentalist notions as the "real" interpretation.

~~The Bible: A Biography by Karen Armstrong~~

In this seminal account, acclaimed historian Karen Armstrong discusses the conception, gestation, and life of history's most powerful book. Armstrong analyzes the social and political situation in which oral history turned into written scripture, how this all-pervasive scripture was collected into one work, and how it became accepted as Christianity's sacred text.

~~The Bible: The Biography, by Karen Armstrong | The Independent~~

Karen Armstrong's detailed history of the scriptural traditions of Judaism, Christianity, Islam, China, and India, shows how well they have served their adherents over time, and how much has been lost through modern misunderstanding. When scripture is intimately bound with transforming ritual and compassionate living, it is of immense value.

Translated into over two thousand languages, it is estimated that more than six billion copies have been sold in the last two hundred years alone.

Examines the Bible's complex history, the social and political environment in which oral history became written scripture, how the various books were collected into a single volume, and its acceptance as Christianity's sacred text.

A ground-breaking explanation of the single most influential text of all time by the world's foremost religious historian.

In this seminal account, acclaimed historian Karen Armstrong discusses the conception, gestation and life of history's most powerful book. She analyzes the climate in which oral history's most powerful book. She analyzes the climate in which oral history turned into written scripture, how this scripture was collected into one work, and how it became accepted as Christianity's sacred text. This is a brilliant, captivating book, crucial in an age of declining faith and rising fundamentalism.

From the bestselling author of *A History of God* and *The Great Transformation* comes a balanced, nuanced understanding of the role religion plays in human life and the trajectory of faith in modern times. Why has God become incredible? Why is it that atheists and theists alike now think and speak about God in a way that veers so profoundly from the thinking of our ancestors? Moving from the Paleolithic Age to the present, Karen Armstrong details the lengths to which humankind has gone to experience a sacred reality that it called God, Brahman, Nirvana, Allah, or Dao. She examines the diminished impulse toward religion in our own time when a significant number of people either want nothing to do with God or question the efficacy of faith. With her trademark depth of knowledge and profound insight, Armstrong elucidates how the changing world has necessarily altered the importance of religion at both societal and individual levels. And she makes a powerful, convincing argument for structuring a faith that speaks to the needs of our dangerously polarized age.

The renowned religious historian “preaches the gospel truth . . . explaining how the spiritual guide . . . came into being and evolved over the centuries” (*Vanity Fair*). As the single work at the heart of Christianity, the world’s largest organized religion, the Bible is the spiritual guide for one out of every three people in the world. It is also the world’s most widely distributed book and its

bestselling, with an estimated six billion copies sold in the last two hundred years. But the Bible is a complex work with a complicated and obscure history. Its contents have changed over the centuries, it has been transformed by translation, and, through interpretation, has developed manifold meanings to various religions, denominations, and sects. In this seminal account, acclaimed historian Karen Armstrong discusses the conception, gestation, life, and afterlife of history's most powerful book. Armstrong analyzes the social and political situation in which oral history turned into written scripture, how this all-pervasive scripture was collected into one work, how it became accepted as Christianity's sacred text, and how its interpretation changed over time. Armstrong's history of the Bible is a brilliant, captivating book, crucial in an age of declining faith and rising fundamentalism. "Vintage Armstrong: sweeping, bold, incisive, and insightful. In eight chapters it covers the history of the writing, canonizing, and reading of the Bible . . . Her choice of topics is impeccable . . . and her brief, 23-page discussion on the rise of the Talmud is masterful." –Choice "An excellent précis of the writing and compiling of the Bible and the ensuing centuries of biblical interpretation . . . one terrific little book." –Booklist

The 4,000-year quest of Judaism, Christianity and Islam.

Examines the Bible's complex history, the social and political environment in which oral history became written scripture, how the various books were collected into a single volume, and its acceptance as Christianity's sacred text.

Available in Canada for the first time since its initial publication in 1981, this is acclaimed author Karen Armstrong's classic memoir of her life as a young woman in a convent – the precursor to the bestseller *The Spiral Staircase*. *Through the Narrow Gate* is Karen Armstrong's intimate memoir of life inside a Catholic convent. With honesty and clarity, she explains what drove her at age seventeen to devote herself to God. Over the next seven years, she endures the difficulties of convent life – the enforced silence, the lack of friendship and family, her own guilt at not being able to stifle her voracious intelligence – and unveils the secrets of religious life during the post-Vatican II years. *Through the Narrow Gate* is a moving account of a young woman's search for God and the experiences that put Karen Armstrong on her way to becoming one of the most admired and most respected interpreters of religious faith.

A literary history of our most influential book of all time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and

unchallenged since the earliest days of the Christian church. The idea of the Bible as "Holy Scripture," a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In *A History of the Bible*, John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context--from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world--and, importantly, to what effect. Ultimately, *A History of the Bible* argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording--which is impossible to determine--and focus instead on the broader meanings of scripture.

In the late twentieth century, fundamentalism has emerged as one of the most powerful forces at work in the world, contesting the dominance of modern secular values and threatening peace and harmony around the globe. Yet it remains incomprehensible to a large number of people. In *The Battle for God*, Karen Armstrong brilliantly and sympathetically shows us how and why fundamentalist groups came into existence and what they yearn to accomplish. We see the West in the sixteenth century beginning to create an entirely new kind of civilization, which brought in its wake change in every aspect of life -- often painful and violent, even if liberating. Armstrong argues that one of the things that changed most was religion. People could no longer think about or experience the divine in the same way; they had to develop new forms of faith to fit their new circumstances. Armstrong characterizes fundamentalism as one of these new ways of being religious that have emerged in every major faith tradition. Focusing on Protestant fundamentalism in the United States, Jewish fundamentalism in Israel, and Muslim fundamentalism in Egypt and Iran, she examines the ways in which these movements, while not monolithic, have each sprung from a dread of modernity -- often in response to assault (sometimes unwitting, sometimes intentional) by the mainstream society. Armstrong sees fundamentalist groups as complex, innovative, and modern -- rather than as throwbacks to the past -- but contends that they have failed in religious terms. Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity, each impelling the other on to greater excess, she suggests compassion as a way to defuse what is now an intensifying conflict. **BONUS:** This edition contains an excerpt from Karen
