The pioneer of herbal veterinary medicine has again thoroughly revised, updated and expanded her book on natural and organic cures and farming methods, first published in 1952 and now a classic in its field.

Dog and cat owners are becoming increasingly concerned about the safety of processed pet food and the possible side-effects of over-use of antibiotics and hormone treatments. This new edition, thoroughly revised and updated, covers Natural Rearing, herbal medicine and disease prevention.

Now available in paperback, this is the fifth edition of Levy's handbook for herbal veterinary care. Updated to include information on cats as well as dogs, this guide covers rearing of young, treating specific diseases with herbs, and a general discussion on disease prevention.

Well-respected herbalist David Hoffmann's comprehensive and practical guide to herbal medicine. • Discusses the history and modern practice of herbalism, including Chinese, Native American, and Welsh influences. • Includes a practical reference section listing the effects of various herbs, with prescriptions on how to use them for a wide range of illnesses. • Covers the fundamentals of growing, drying, storing, and cooking with herbs. • Over 45,000 copies of previous edition sold. This compendium of medical herbalism by one of the most eminent herbalists practicing today is both comprehensive and practical. Answering basic as well as complicated questions about herbal medicine, it provides both the novice and the experienced practitioner with a reliable framework in which to develop their herbal skills. A discussion of the history and modern practice of herbalism, encompassing the influences of Welsh, Chinese, and Native American herbal medicine is followed by a practical reference section that lists the various actions herbs have on the body (carminative, anti-inflammatory, etc.), with examples of herbs and their mode of activity in each category. Herbal prescriptions for various illnesses are also organized under the main systems of the body so that information can be quickly and easily referenced. A final section covers the fundamentals of growing, drying storing and cooking with herbs, as well as the making of infusions, decoctions, oils, and ointments. The author also provides helpful introductions to aromatherapy and plant medicines.

Offers advice on herbal healing, includes an encyclopedic review of health conditions that herbal medicine can help, and discusses 180 herbs with information on dosages, food and drug interactions, benefits, and side effects.

Let The Herbal Handbook for Homesteaders be your helpful compendium of herbal information and recipes for building health and tending to minor ailments out on the homestead. When you're a homesteader, you face many challenges: from a simple cold, to an earache in your child, fleas on the dog, or worms in your goat. Medicines and treatments are never cheap, and are often vague. Wouldn't it be great to grow, forage, and create natural remedies yourself? Look no further than The Herbal Handbook for Homesteaders! Abby Artemisia, a botanist, herbalist, and professional forager, has created this user-friendly resource. If you're an herbal novice, this guide will demystify the world of herbs. For those with some herbal experience, it will take you deeper into helpful home remedies with new techniques and recipes. Take control of your own health care and that of your family, pets, and livestock, with tips on growing and foraging herbs safely and ethically; secrets to preservation and processing; and easy, soothing recipes. With bonus sections on creating your own herbal apothecary, creating a foraging journal, and more, this handy book is sure to become your go-to reference for all things herbal.

The charismatic Seed Sistas distill over 20 years of clinical and teaching experience into an easy-to-use comprehensive system of herbal medicine. This book empowers readers to take charge of their own wellbeing by reconnecting them with their local plants, and with the land, the elements and the seasons. "A unique mix of knowledge and wisdom, respect and irreverence" - Bruce Parry This book has been written for anyone who has heard the whispers of the wild and has been stirred to know more, for those with a political conscience and for lovers of

the outdoors. Whether you are new to the ways of herbs or already a practising herbalist, it explains how you can take your physical and mental health into your own hands using the plants that grow around you. Sensory Herbalism is a unique system of health devised by the Seed Sistas over 20 years of practice. It combines traditional herbal knowledge with an understanding of how the elements (water, fire, air, earth and spirit) and the ever-changing seasons interact with the human body. Their approach blends science, medicine, creativity, ritual, magic and fun into practical, easy-to-use tools that guide readers in developing their own relationship with plants. Illustrated with 140 artworks, photographs and diagrams, the book offers a revolutionary understanding of how to get to know and use your local medicinal plants. Understand plants better than ever before using the five tools of Sensory Herbalism: observation through the senses, intuition, interpretation, characterization and the poetic creation of plant dreams. Embark on a guided journey through the year, deepening your knowledge of each season's featured plants and enhancing your wellbeing with herbal medicines, nutritious recipes and healing rituals.

Kitchen pharmacy meets green cleaning and natural beauty in this comprehensive handbook of 501 recipes that harness the power of plants to enhance wellness and toxin-free living. Expert herbalist Pip Waller provides a wealth of information about growing, collecting, preserving, and preparing herbs for a variety of purposes--from cleaning products, to food and drink, medicines, beauty products, and more. Attractive and easy to use, *The Herbal Handbook for Home and Health* includes growing tips and profiles of herbs, guidelines for setting up an herbalist's kitchen, and techniques to make everything from tinctures to tonics. A valuable resource for anyone affected by allergies or sensitivities, this compendium is handsomely produced with two-color printing throughout and more than three hundred striking illustrations. The Handbook includes contributions from herbalists from around the world and encompasses recipes that range from very simple to more complex. Seasoned herbalists as well as those just beginning to explore the world of herbs will find something to start their own nontoxic, non-allergenic domestic revolution. The book includes:

- A history of herbal lore
- The herbalist's kitchen--equipment and procedures for harnessing the power of plants
- Green cleaning products (from floor wax to stain removers)
- Herbal pharmacy (from throat lozenges to hangover cures)
- Nutritional supplements and detoxes
- First aid (from anti-anxiety drops to bruise ointment)
- For travel (insect repellent to anti-nausea drops)
- Food and drink (breads, butters, wines, teas)
- Beauty and balms (toothpaste to shampoo to lip balm)
- Kitchen Pharmacy
- Food & Drink
- Beauty, Balms & Personal Care
