The Dragon of Avalon is the 6th book in T. A. Barron's Merlin series. I would recommend this book for younger teens or tweens, as older teens might get bored with this book, because the plot might be a bit slow for their liking. This book was a quick read, it took me about 3 hours to read.

The Mists of Avalon is a 1983 historical fantasy novel by American writer Marion Zimmer Bradley, in which the author relates the Arthurian legends from the perspective of the female characters. The book follows the trajectory of Morgaine, a priestess fighting to save her Celtic religion in a country where Christianity threatens to destroy the pagan way of life. The epic is focused on the lives of Morgaine, Gwenhwyfar, Viviane, Morgause, Igraine and other women of the Arthurian legend. The Mists

The Mists of Avalon - Wikipedia

"The Dragon of Avalon" is a bit of a nostalgia ride for those who have read Barron's last two trilogies -- he writes of things only hinted at in the Great Tree of Avalon trilogy, such as Merlin's wedding to his deer-girlfriend Hallia.

Basil, a small, flying lizard, makes a surprising discovery while engaged in Avalon's great war between the evil Rhita Gawr and the forces of good.

In accordance with prophecy, Avalon's existence is threatened in the year that stars stop shining and at the time when both the dark child and Merlin's heir are to be revealed.

Avalon is on the verge of total destruction: an army of warriors, a swarm of fire dragons, and a lethal plague are all laying waste to Merlin's beloved land. But Merlin is nowhere to be found. Leading the fight in his place is Basil, the once tiny lizard who is now the most powerful dragon in Avalon. But to restore peace, the mastermind behind this chaos, Doomraga, will need to be discovered and destroyed before his power grows stronger and Avalon and its inhabitants are beyond saving. For Basil to triumph, he and his friends may need to make the ultimate sacrifice. In this final book of the Merlin's Dragon trilogy, T. A.

Barron brings this saga to a thrilling-if bittersweet- end.

Basil becomes Merlin's partner as they battle the mysterious shadows that threaten the new Avalon. A dark magic has been spreading across Avalon. Initially, the events seemed unrelated: a war in Fireroot between the dwarves and the fire dragons, blight in Stoneroot, and disputes throughout the realms. But as Merlin and Basil scour the realms, they begin to realize that looming behind the growing chaos is a single dark threat—an enemy that they've never encountered. One that must be stopped before all of Avalon is lost. In this jaw-dropping sequel to the mega-hit *Merlin's Dragon*, T. A. Barron sends Merlin, Rhia, and Basil, the greatest dragon ever, on a mission across Avalon to root out this new enemy. But sacrifices will be made, relationships will be tested, and precious lives will be lost.

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—*The New York Times Book Review* In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

A young boy who has no identity nor memory of his past washes ashore on the coast of Wales and finds his true name after a series of fantastic adventures.

Avalon is under seige by the warlord Rhita Gawr, now a wrathful dragon, who is bent on destroying it. Three unlikely heroes—Tamwyn, Elli, and Scree—are Avalon's only hope. To succeed they must overcome enormous obstacles, both in the world around them and deep within themselves. But once they do, their success is only the beginning. Everything culminates in three great battles: one deep underground, one on the muddy plains, and one high among the stars. But will there be triumph for Avalon's survival?
