"I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " --Buck Brannaman In THE FARAWAY HORSES, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie The Horse Whisperer, for which he was the technical advisor.

SPOKEN IN WHISPERS is the autobiography of a remarkable woman. Nicci Mackay is a horse whisperer, one of only a few people in the world who can calm agitated horses or revive their broken spirits by translating what they say.Nicci, who has had the extraordinary gift of being able to communicate with animals since childhood, tells her story with honesty and humou r.She writes about a life dedicated to animals-from her years spent as groom and jockey in a racing yard, when she operated in secret, to more recent times, after the media discovered her amazing abilities. She now spends her time travelling extensively, translating and interperating on behalf of animals for their owners. Nicci gives the reader a rare and facinating insight into the minds, emotions and bewildering behaviour of our four-legged friends, from thoroughbred stallions to sheepdogs, opening the door to their world through often hilarious, sometime poignant, but always thought-provoking adventures and encounters with the animals she has met throughout her life. As well as horses, Nicci has worked with a variety of domestic pets, farm animals and birds. This will delight all those who share her love of animals.
