The Metamorphosis and Other Stories (Oxford World's –

Kafka wrote "The Metamorphosis" at the end of 1912, soon after he finished "The judgment," and it is worth noting that the two stories have much in common: a businessman and bachelor like Georg Bendemann of "The judgment," Gregor Samsa is confronted with an absurd fate in the form of a "gigantic insect," while Georg is confronted by absurdity in the person of his father.

The Metamorphosis and Other Stories – CliffsNotes

Metamorphosis is Kafka's most famous short story, a work where, in the words of Vladimir Nabokov, 'contrast and unity, style and matter, manner and plot are most perfectly integrated.' This is a heart-rending dystopia in which love itself becomes alienated and repugnant. This volume also includes a number of other short stories by Kafka's, all newly translated. --This text refers to an ...

Metamorphosis and Other Stories (Penguin Modern Classics) –

This new translation includes Kafka's most famous story, The Metamorphosis, together with two other stories, The Judgement and In the Penal Colony, and Meditation and the autobiographical Letter to his Father. The edition includes a detailed introduction, notes, and other helpful items. Format: Paperback Published: in

The Metamorphosis And Other Stories – Shakespeare and Sons

Metamorphosis is definitely the highlight of this book, which is my introduction to Kafka. Heard praise for this story and was not disappointed. Very strange but very readable, also sad at turns. The other stories are not as good but still decent reads, the opener 'the judgement' in particular was insane, darkly funny at same time. Reads well on kindle, no weirdness, can not comment on ...

The Metamorphosis: Amazon.co.uk: Kafka, Franz –

METAMORPHOSIS AND OTHER STORIES FRANZ KAFKA was born of Jewish parents in Prague in 1883. The family spoke both Czech and German; Franz was sent to German-language schools and to the German University, from which he received his doctorate in law in 1906.

For the 125th anniversary of Kafka's birth comes an astonishing new translation of his best-known stories, in a spectacular graphic package.

A brilliant new translation of Kafka's best-known work, published for the 125th anniversary of his birth This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes Metamorphosis, his most famous work, an exploration of horrific transformation and alienation; Meditation, a collection of his earlier studies; The Judgement, written in a single night of frenzied creativity; The Stoker, the first chapter of a novel set in America and a fascinating occasional piece, The Aeroplanes at Brescia, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.

This new translation includes Kafka's most famous story, The Metamorphosis, together with two other stories, The Judgement and In the Penal Colony, and Meditation and the autobiographical Letter to his Father. The edition includes a detailed introduction, notes, and other helpful items.

Part of the Legend Classics seriesAs Gregor Samsa awoke one morning from uneasy dreams he found himself transformed in his bed into a gigantic insect.The Metamorphosis - the masterpiece of Franz Kafka - was first published in 1915 and is one of the seminal works of fiction of the twentieth century. The novel is cited as a key influence for many of today's leading authors; as Auden wrote: "Kafka is important to us because his predicament is the predicament of modern man".Traveling salesman, Gregor Samsa, wakes to find himself transformed into a large, monstrous insect-like creature. The cause of Gregor's transformation is never revealed, and as he attempts to adjust to his new condition he becomes a burden to his parents and sister, who are repelled by the horrible, verminous creature Gregor has become.A harrowing, yet strangely comic, meditation on human feelings of inadequacy, guilt, and isolation, The Metamorphosishas taken its place as one of the most widely read and influential works of twentieth-century fiction.The Legend Classics series:Around the World in Eighty DaysThe Adventures of Huckleberry FinnThe Importance of Being EarnestAlice's Adventures in WonderlandThe MetamorphosisThe Railway ChildrenThe Hound of the BaskervillesFrankensteinWuthering HeightsThree Men in a BoatThe Time MachineLittle WomenAnne of Green GablesThe Jungle BookThe Yellow Wallpaper and Other StoriesDraculaA Study in ScarletLeaves of GrassThe Secret GardenThe War of the WorldsA Christmas CarolStrange Case of Dr Jekyll and Mr HydeHeart of DarknessThe Scarlet LetterThis Side of ParadiseOliver TwistThe Picture of Dorian GrayTreasure IslandThe Turn of the ScrewThe Adventures of Tom SawyerEmmaThe TrialA Selection of Short Stories by Edgar Allen PoeGrimm Fairy Tales

Writings by and about Kafka and textual notes accompany his translations of his early twentieth-century work about Gregor Samsa, an ordinary man who wakes up one morning only to discover that he has been transformed into a monstrous insect and must deal with his physical alteration, as well as the alienation from his family. Reprint.

"This fine version, with David Cronenberg's inspired introduction and the new translator's beguiling afterword, is, I suspect, the most disturbing though the most comforting of all so far; others will follow, but don't hesitate: this is the transforming text for you."—Richard Howard Franz Kafka's 1915 novella of unexplained horror and nightmarish transformation became a worldwide classic and remains a century later one of the most widely read works of fiction in the world. It is the story of traveling salesman Gregor Samsa, who wakes one morning to find himself transformed into a monstrous insect. This hugely influential work inspired George Orwell, Albert Camus, Jorge Louis Borges, and Ray Bradbury, while continuing to unsettle millions of readers. In her new translation of Kafka's masterpiece, Susan Bernofsky strives to capture both the humor and the humanity in this macabre tale, underscoring the ways in which Gregor Samsa's grotesque metamorphosis is just the physical manifestation of his longstanding spiritual impoverishment.

Franz Kafka has given his name to a world of nightmare, but in Kafka's world, it is never completely clear just what the nightmare is. Kafka deals in dark and quirkily humorous terms with the insoluble dilemmas of a world which offers no reassurance, and no reliable guidance to resolving our existential and emotional uncertainties and anxieties.

This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes, including analysis of the most widely read literary works.
