To this day, Beatrix Potter's tales delight children and grown-ups around the world. But few people realise how extraordinary her own story is. She was a woman of contradictions. A sheltered Victorian daughter who grew into an astute modern businesswoman. A talented artist who became a scientific expert. A famous author who gave it all up to become a farmer. Bestselling biographer Sarah Gristwood follows the twists and turns of Beatrix Potter's life and its key turning points including her tragically brief first engagement and happy second marriage late in life. She traces the creation of Beatrix's most famous characters including the naughty Peter Rabbit, confused Jemima Puddleduck and cheeky Squirrel Nutkin revealing how she drew on her unusual childhood pets and locations in her beloved Lake District. She explores too Beatrix's role as a pioneering conservationist, whose work with the National Trust helped to save thousands of acres of the Lake District a legacy that, like her books, continues to enrich our lives today.

From the creator of Peter Rabbit comes the tale of a serious, well-behaved young black cat, who leads a daring double life defeating vile villains. Beatrix Potter created some of the world's most beloved characters, and they will be coming to life in a movie slated for Spring 2018. And this book, written in 1941 but never illustrated, introduces the charming Kitty-in-Boots, who has been imagined by Quentin Blake. When Miss Kitty sneaks out to go hunting in her beautiful boots she gets herself into all sorts of scrapes, but on this particular night she meets the foxiest hunter of them all—Mr. Tod! This utterly entertaining tale is filled with

mistaken identities, devious villains, and even an appearance from Peter Rabbit.

Peter disobeys his mother by going into Mr. McGregor's garden and almost gets caught.

This original, authorised version has been lovingly recreated electronically for the first time, with reproductions of Potter's unmistakable artwork optimised for use on colour devices such as the iPad. The Tale of Mr. Jeremy Fisher endures as one of Beatrix Potter's most popular and well-loved tales. It tells of an optimistic and slightly accident-prone frog, who sets off on a fishing expedition across the pond, only to find himself bitten on the toe by a water-beetle, fighting with a stickleback, and eventually nearly eaten by a trout! The Tale of Jeremy Fisher is number seven in Beatrix Potter's series of 23 little books, the titles of which are as follows: 1 The Tale of Peter Rabbit 2 The Tale of Squirrel Nutkin 3 The Tailor of Gloucester 4 The Tale of Benjamin Bunny 5 The Tale of Two Bad Mice 6 The Tale of Mrs. Tiggly-Winkle 7 The Tale of Mr. Jeremy Fisher 8 The Tale of Tom Kitten 9 The Tale of Jemima Puddle-Duck 10 The Tale of the Flopsy Bunnies 11 The Tale of Mrs. Tittlemouse 12 The Tale of Timmy Tiptoes 13 The Tale of Johnny Town-Mouse 14 The Tale of Mr. Tod 15 The Tale of Pigling Bland 16 The Tale of Samuel Whiskers 17 The Tale of The Pie and the Patty-Pan 18 The Tale of Ginger and Pickles 19 The Tale of Little Pig Robinson 20 The Story of a Fierce Bad Rabbit 21 The Story of Miss Moppet 22 Appley Dapply's Nursery Rhymes 23 Cecily Parsley's Nursery Rhymes

A young reader's biography of Beatrix Potter, the author-illustrator of The Tale of Peter Rabbit.

Once upon a time there were four little Rabbits, and their names were— Flopsy, Mopsy, Cotton-tail, and Peter.

Download Free The Story Of Beatrix Potter National Trust History Heritage

Peter Rabbit, Mr. McGregor, and many other Beatrix Potter characters remain in the hearts of millions. However, though Potter is a household name around the world, few know the woman behind the illustrations. Her personal life, including a romantic relationship with her publisher, Norman Warne, and her significant achievements outside of children's literature remain largely unknown. In Linda Lear's enchanting new biography, we get the life story of this incredible, funny, and independent woman. As one of the first female naturalists in the world, Potter brought the beauty and importance of nature back into the imagination at a time when plunder was more popular than preservation. Through her art she sought to encourage conservation and change the world. With never before seen illustrations and intimate detail, Lear goes beyond our perennial fascination with Potter as a writer and illustrator of children's books, and delves deeply into the life of a most unusual and gifted woman--one whose art was timeless, and whose generosity left an indelible imprint on the countryside.

Even in old age Beatrix Potter chose to remain unknown and to conceal the artist behind her everyday character of Lakeland farmer.

Beatrix Potter is one of the world's bestselling, most cherished authors, whose books have enchanted generations of children for over a hundred years. Yet how she achieved this legendary status is just one of several stories of Beatrix Potter's remarkable and unexpected life. Inspired by the twenty-three 'tales', Matthew Dennison takes a selection of quotations from Potter's stories and uses them to explore her multi-faceted life and character: repressed Victorian daughter; thwarted lover; artistic genius; formidable countrywoman. They chart her transformation from a young girl with a love of animals and fairy tales into a bestselling author and canny businesswoman, so deeply unusual for the Victorian era in which she grew up. Embellished with photographs of Potter's life

Download Free The Story Of Beatrix Potter National Trust History Heritage

and her own illustrations, this short biography will delight anyone who has been touched by Beatrix Potter's work.

Through she's universally known as the creator of The Tale of Peter Rabbit, Beatrix Potter did so much more. This is the true story about how she helped save the English countryside! Growing up in London, Beatrix Potter felt the restraints of Victorian times. Girls didn't go to school and weren't expected to work. But she longed to do something important, something that truly mattered. As Beatrix spent her summers in the country and found inspiration in nature, it was through this passion that her creativity flourished. There, she crafted The Tale of Peter Rabbit. She would eventually move to the countryside full-time, but developers sought to change the land. To save it, Beatrix used the money from the success of her books and bought acres and acres of land and farms to prevent the development of the countryside that both she and Peter Rabbit so cherished. Because of her efforts, it's been preserved just as she left it. This beautiful picture book shines a light on Beatrix Potter's lesser-known history and her desire to do something for the greater good.
