I first read THE TALISMAN, collaboratively written by Stephen King and Peter Straub, when it was first published in 1984 and hadn't re-read the story until just now. One of the benefits of getting older is a less precise memory. I didn't remember much of my first reading at all. So I got to enjoy this book all over again.

In his latest soul-chilling novel, bestselling author Peter Straub tells of a famous children ' s book author who, in the wake of a grotesque accident, realizes that the most basic facts of her existence, including her existence itself, have come into question. Willy Patrick, the respected author of the award-winning young-adult novel In the Night Room, thinks she is losing her mind—again. One day, she is drawn helplessly into the parking lot of a warehouse. She knows somehow that her daughter, Holly, is being held in the building, and she has an overwhelming need to rescue her. But what Willy knows is impossible, for her daughter is dead. On the same day, author Timothy Underhill, who has been struggling with a new book about a troubled young woman, is confronted with the ghost of his nine-year-old sister, April. Soon after, he begins to receive eerie, fragmented e-mails that he finally realizes are from people he knew in his youth—people now dead. Like his sister, they want urgently to tell him something. When Willy and Timothy meet, the frightening parallels between Willy ' s tragic loss and the story in Tim ' s manuscript suggest that they must join forces to confront the evils surrounding them.

An electric, chilling, and unpredictable novel from the master of modern horror. On a Midwestern campus in the 1960s, a charismatic guru and his young acolytes perform a secret ritual in a local meadow. What happens is a mystery—all that remains is a gruesomely dismembered body and the shattered souls of all who were present. Forty years later, one man seeks to learn about that horrifying night, and to do so he ' ll have to force those involved to examine the unspeakable events that have haunted them ever since.

A woman commits suicide for no apparent reason. A week later, her son—beautiful, troubled fifteen-year-old Mark Underhill—vanishes from the face of the earth. To his uncle, horror novelist Timothy Underhill, Mark ' s inexplicable absence feels like a second death. After his sister-in-law ' s funeral, Tim searches his hometown of Millhaven for clues that might help him unravel this mystery of death and disappearance. He soon learns that a pedophilic murderer is on the loose in the vicinity, and that shortly before his mother ' s suicide Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge. No mere empty building, the house on Michigan Street whispers from attic to basement with the echoes of a long-hidden true-life horror story, and Tim Underhill comes to fear that in investigating its unspeakable history, Mark stumbled across its last and greatest secret: a ghostly lost girl who may have coaxed the needy, suggestible boy into her mysterious domain. With lost boy lost girl, Peter Straub affirms once again that he is the master of literary horror.
