A wealth of information and ideas for using Spanish in context means that children can enjoy learning Spanish from the very start. In this book: * children are encouraged to develop good learning habits for life* learning is made fun through a range of colourful and motivating activities* children learn more about Spanish language and culture through useful information and tips* parents and teachers can fully support children's learning with confidence

A modern multiplication primer that tackles the terrors of a typical school year. Learning math has never been this much fun! Inspired by a Victorian math primer, Terrible Times Tables is a modern take on learning one's multiplication tables, from numbers 2 to 10, featuring elementary school themes of homework, field trips, cafeteria food, holidays, and recitals. Featuring a reluctant narrator and a few unwitting critters, learning math has never been so much fun or amusing.

A colourful workbook filled with fun activities to help children develop their times tables skills. Helped by a group of friendly animals, children can begin to explore times tables. The activities in this book build confidence in understanding multiplication, and provide practice for the 2, 5 and 10 times tables. Usborne Workbooks teach children the basics of a variety of Maths and English topics, including times tables, adding, comprehension and spelling. Clear instructions and careful progression help to break tricky concepts into easy-to-follow steps to ensure children get the most from these books. Includes a quiz, extra pages for more practice, answers and notes for grown-ups.

A unique visual approach to understanding times tables with Carol Vorderman, the UK's number 1 bestselling education author. This comprehensive and accessible guide and workbook provides a range of learning techniques and is complemented by practice exercises throughout. Beginning with times tables basics and culminating in challenging number sequences, the methods, tricks and tips shown, ensure no child will be left feeling bewildered. Fun and funky graphics help to engage your child and visualise the maths problem in front of them. Parents' notes on the practice tests mean you'll be able to answer any tricky questions and give essential times tables guidance. Help Your Kids with Times Tables is the perfect guide for frustrated children and confused adults to unlock your child's academic achievement.

This practice book will build essential skills through activity-packed fun. The activities are designed to give children a real sense of achievement. Will your children be ready for the new national times table check? All children in Year 4 will have to sit an on-screen times tables check; this series will help to prepare children by supporting their learning and understanding of times tables. Each workbook provides practice, problem-solving activities, games and quick-fire quizzes to build fluency of times-tables facts. A free online practice test will also help children to prepare for this important national check. Each book uses concrete resources, problem solving and reasoning to build a mastery of multiplication and division, not just rote learning. Perfect for use at home or in the classroom. An accompanying Teacher's Guide is also available providing lessons and activities to build confidence and fluency in times tables.

Learning times tables is a necessity for all children and this book makes it clear, easy and fun to do. Once they have mastered all the numbers in the yellow panels they will know them all!

This fun range of Maths and English activity books really helps to boost your child's progress at every stage of their learning. The series aims to build up important skills in line with their learning at school. Each activity is designed to give your child a real sense of achievement. Help boost confidence and develop good learning habits for life. Motivate children to learn at home using colourful activities that make learning fun. Include helpful tips and answers so that you easily support your child's learning at home.*
