Welcome to Lagos (Catapult, 2018) Welcome to Lagos has been described as comic by some reviewers but aside from a few slapstick-esque moments and some sharply funny critique of English race relations, it reads as modern African tragedy. The book opens in the Nigerian Delta with Chike Ameobi suffering through his twelfth month as an army officer.

But action is secondary to atmosphere: Onuzo excels at evoking a stratified city, where society weddings feature ‘ ice sculptures as cold as the unmarried belles ’ and thugs write tidy receipts for kickbacks extorted from homeless travelers. ” —The New Yorker When army officer Chike Ameobi is ordered to kill innocent civilians, he knows it is time to desert his post. As he travels toward Lagos with Yemi, his junior officer, and into the heart of a political scandal involving Nigeria ’ s education minister, Chike becomes the leader of a new platoon, a band of runaways who share his desire for a different kind of life. Among them is Fineboy, a fighter with a rebel group, desperate to pursue his dream of becoming a radio DJ; Isoken, a 16 – year – old girl whose father is thought to have been killed by rebels; and the beautiful Oma, escaping a wealthy, abusive husband. Full of humor and heart, Welcome to Lagos is a high – spirited novel about aspirations and escape, innocence and corruption. It offers a provocative portrait of contemporary Nigeria that marks the arrival in the United States of an extraordinary young writer.

Winner of a Betty Trask Award Shortlisted for the Dylan Thomas Prize and the Commonwealth Book Prize Longlisted for the Desmond Elliot Prize The Spider King's Daughter is a modern-day Romeo and Juliet set against the backdrop of a changing Lagos, a city torn between tradition and modernity, corruption and truth, love and family loyalty. Seventeen-year-old Abike Johnson is the favourite child of her wealthy father. She lives in a She lives in a sprawling mansion in Lagos, protected by armed guards and ferried everywhere in a huge black jeep. But being her father's favourite comes with uncomfortable duties, and she is often lonely behind the high walls of her house. A world away from Abike's mansion, in the city's slums, lives a seventeen-year-old hawker struggling to make sense of the world. His family lost everything after his father's death and now he runs after cars on the roadside selling ice cream to support his mother and sister. When Abike buys ice cream from the hawker one day, they strike up an unlikely and tentative romance, defying the prejudices of Nigerian society. But as they grow closer, revelations from the past threaten their relationship and both Abike and the hawker must decide where their loyalties lie.

simulates the lifestyle of a true local. Lagos Travel Guide is a personal, honest and engaging perspective of the wondrous city from the eyes of the top changemakers. This guide will serve as your handbook to help you build a bond with the heartbeat of Africa. From one of Nigeria ' s most highly recognised travel writers " Funke Ogunkoya-Futi " , this is the definitive book on visiting Lagos, Nigeria.

"Visiting Lagos after many years away, Teju Cole's unnamed narrator rediscovers his hometown as both a foreigner and a local. A young writer uncertain of what he wants to say, the man moves through tableaux of life in one of the most dynamic cities in the world: he hears the muezzin's call to prayer in the early morning light, and listens to John Coltrane during the late afternoon heat. He witnesses teenagers diligently perpetrating e-mail frauds from internet cafes, longs after a woman reading Michael Ondaatje on a public bus, and visits the impoverished National Museum. Along the way, he reconnects with old school friends and his family, who force him to ask himself profound questions of personal and national history. Over long, wandering days, the narrator compares present-day Lagos to the Lagos of his memory, and in doing so reveals changes that have taken place in himself. Just as Open City uses New York to reveal layers of the narrator's soul, in Every Day is for the Thief the complex, beautiful, generous, and corrupt city of Lagos exposes truths about our protagonist, and ourselves"--

AN INSTANT NEW YORK TIMES BESTSELLER A READ WITH JENNA TODAY SHOW BOOK CLUB PICK! "Brave, fresh . . . unforgettable."--The New York Times Book Review "A celebration of girls who dare to dream."--Imbolo Mbue, author of Behold the Dreamers (Oprah's Book Club pick) Shortlisted for the Desmond Elliott Prize and recommended by The New York Times, Marie Claire, Vogue, Essence, PopSugar, Daily Mail, Electric Literature, Red, Stylist, Daily Kos, Library Journal, The Everygirl, and Read It Forward! The unforgettable, inspiring story of a teenage girl growing up in a rural Nigerian village who longs to get an education so that she can find her "louding voice" and speak up for herself, The Girl with the Louding Voice is a simultaneously heartbreaking and triumphant tale about the power of fighting for your dreams. Despite the seemingly insurmountable obstacles in her path, Adunni never loses sight of her goal of escaping the life of poverty she was born into so that she can build the future she chooses for herself - and help other girls like her do the same. Her spirited determination to find joy and hope in even the most difficult circumstances imaginable will "break your heart and then put it back together again" (Jenna Bush Hager on The Today Show) even as Adunni shows us how one courageous young girl can inspire us all to reach for our dreams...and maybe even change the world.

It ' s up to a famous rapper, a biologist, and a rogue soldier to handle humanity ' s first contact with an alien ambassador—and prevent mass extinction—in this novel that blends magical realism with high-stakes action. After word gets out on the Internet that aliens have landed in the waters outside of the world ' s fifth most populous city, chaos ensues. Soon the military, religious leaders, thieves, and crackpots are trying to control the message on YouTube and on the streets. Meanwhile, the earth ' s political superpowers are considering a preemptive nuclear launch to eradicate the intruders. All that stands between seventeen million anarchic residents and death is an alien ambassador, a biologist, a rapper, a soldier, and a myth that may be the size of a giant spider, or a god revealed.

brought up in England, but every summer she was dragged back to visit her father in Nigeria—a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality. After her father, activist Ken Saro-Wiwa, was killed there, she didn't return for several years. Then she decided to come to terms with the country her father given his life for. Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains; from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park, she explores Nigerian Christianity, delves into the country's history of slavery, examines the corrupting effect of oil, and ponders the huge success of Nollywood. She finds the country as exasperating as ever, and frequently despairs at the corruption and inefficiency she encounters. But she also discovers that it is far more beautiful and varied than she had ever imagined, with its captivating thick tropical rain forest and ancient palaces and monuments—and most engagingly and entertainingly, its unforgettable people. “ The author allows her love-hate relationship with Nigeria to flavor this thoughtful travel journal, lending it irony, wit and frankness. ” —Kirkus Reviews
