<b>Answer: The Bible teaches that God reigns over the nations from His holy throne in heaven ( Psalm 47:8; Isaiah 6:1, 66:1; Hebrews 4:16 ). Even though we know that God’s presence is in some sense uniquely in heaven, the teachings of Scripture also make it clear that God is omnipresent (present everywhere at the same time). From the beginning of Scripture, we see the presence of God hovering over the earth, even when it was still formless and empty ( Genesis 1:2 ).</b>

**Where is God now? Where is God when it hurts?...**

From the Back Cover Winner of the Gold Medallion Award and an inspirational best-seller for over twenty years, Where is God When it Hurts? Has been revised and updated by the author to explore the many important issues that have arisen during that time.

**Where Is God When It Hurts?: Amazon.co.uk: Philip Yancey...**

Where is God? If this question still needs to be settled in your mind, consider the evidence for God in His creation. Genesis 1:1 says, In the beginning God created the heavens and the earth. Do you believe it? Look around at the evidence. Psalm 19:1-2 tells us: The heavens declare the glory of God; And the firmament shows His handiwork. Day unto day utters speech, And night unto night reveals knowledge.

**Where Is God?**

When we’re hurting it’s easy to wonder where God is if He loves us. Suffering can feel like evidence that He doesn’t care for us. So, where is God when it hu...

**Where is God When It Hurts? (His Companionship in Our...**

That, I believe, is the central message of Job. Satan had taunted God with the accusation that humans are not truly free. Was Job being faithful simply because God had allowed him a prosperous life? Job's fiery trials proved the answer beyond doubt. Job clung to God's justice when he was the best example in history of God's apparent injustice.

**Where Is God When It Hurts? | Christianity Today**

A god who is powerless, unloving, distant, incapable or non-existent — the alternatives to the Biblical view of a sovereign loving God — is no comfort at all, and not worthy of our praise and devotion. Tim Thornborough, Editor. 06/08/2019

**Where was God when that happened?— Christopher Ash | The ...**

God came to earth to rescue us. "For God so loved the world, that he sent his only Son, that whoever believes in him should not perish, but have eternal life. For God sent the Son into the world, not to condemn the world, but that the world might be saved through him." 14. God knows the pain and suffering we encounter in this world.

**Where Is God? See What God Can Do. This Shows You God's Help.**

God is above the heavens, above His creation. This however does not mean that He is contained by any sort of physical dimensions. God is close, very close, to those who believe in Him and He answers their every call. God knows all of our secrets, dreams, and wishes, nothing is hidden from Him.

**Where is God?—The Religion of Islam**

Deuteronomy 8:2 Remember how the Lord your God led you all the way in the desert these forty years, to humble you and to test you in order to know what was in your heart, whether or not you would keep his commands. Every trial the Israelites went through from the Red Sea to the Promised Land was a test of their faith; God was testing their heart whether they would be faithful to him.

**Where Is God When It Hurts? Sermon by Shine Thomas, Psalms ...**

The psalmist asks, “Why should the nations say, ‘Where is their God?’” And he answers, “Our God is in the heavens; he does all that he pleases” (Psalm 115:2-3). So one answer to the question that is always true is that God is reigning on his throne in heaven and doing things according to his infinitely wise and good plan.

**How the Bible Answers the Question ‘Where Is Your God...**

I have heard from hundreds of readers since then and it astonishes me that even now sincere Christians spread guilt and confusion instead of comfort when tragedy strikes. I hope this book sounds a different note, presenting “a God of all comfort,” in Paul’s phrase. (Zondervan, 1977, 1990) Zondervan.com

**Where Is God When It Hurts?—Philip YanceyPhilip Yancey**

Christopher Ash’s Where was God when that happened? is a book for all of us who are overwhelmed by global and personal tragedy. Ash understands the heart wrenching reality of the question and he understands how the Bible provides an answer that does not gloss over the pain but addresses it at the deepest possible level.

**Where was God when that happened?— Christopher Ash | The ...**

When God seems silent, remind yourself of His Word, which tells us, “Be still before the Lord and wait patiently for him; fret not yourself over the one who prospers in his way, over the man who carries out evil devices” (Psalm 37:7), since “those who wait for the Lord shall inherit the land” (Psalm 37:9), so God does not disappear during trials and tribulations; He is using these ...

**Where Was God During The Holocaust?**

God never left Joseph’s side. Joseph knew that God was with him, and he was consistently blessed with God’s presence and favor, even when his prayers for deliverance went unanswered for years. I remember years of crying out to God, thinking my faith would get back on track when life got back to normal.

**Where Is God When Things Keep Getting Worse? | Desiring God**

Love God, love people, do stuff.” What I perceive as silence from God probably has more to do with my emotions than reality, because the reality is, God is speaking all the time. C.S. Lewis said “though our feelings come and go, God’s love for us does not.” If you are experiencing God’s silence, start expecting Him in the unexpected.

**What to Remember When God is Silent | RELEVANT**

Where Is God When It Hurts is primarily directed at people who suffer, but it's also for people who are close to those who suffer (we're mostly talking physical illness here). It challenges some common (and re I wouldn't call myself Christian, but some Christian philosophy books are okay (I accept all sorts of philosophies about the higher power).

**Where Is God When It Hurts? by Philip Yancey**

God is just as helpless as you are, and He weeps to see your sorrow.” No. If God is really God, then He could have stopped it; if I’m suffering, then He could have stopped it but didn’t. I may be baffled by Him, I may be frustrated by Him, but the God I want to hear from is the God who rules the world.

**Where Is God in the Midst of All My Troubles?—Focus on ...**

God, in monotheistic thought, is conceived of as the supreme being, creator deity, and principal object of faith. God is usually conceived as being omnipotent (all-powerful), omniscient (all-knowing), omnipresent (all-present) and omnibenevolent (all-good) as well as having an eternal and necessary existence.These attributes are used either in way of analogy or are taken literally.

### Where is God?

OVER ONE MILLION COPIES SOLD! An inspirational classic for more than thirty years, Where Is God When It Hurts? honestly explores pain--whether physical, emotional, or spiritual--and sheds new light on God's presence in our suffering. Includes a discussion guide. "How can a loving God allow this to happen? Either God is all-loving or all-powerful, but he can't be both." You've heard that question, and perhaps even asked it yourself. No matter how you complete it, at its root lies the issue of pain. When a loved one dies, we receive a terminal diagnosis, or natural disasters strike, people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation. As a result, we become angry at the once-beloved God who betrayed us. In this Gold Medallion Award-winning book, Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept--without blame, anger, or fear--that which we don't understand. He answers questions such as: Why is there such a thing as pain? Is pain a message from God? How should we respond to suffering? How can we cope with pain? Does faith help? Yancey speaks to everyone for whom life sometimes doesn't make sense. With compassion and clarity, Yancey brings us one step closer to finding an answer when our pain, or the pain of those we love, is real and we are left wondering, where is God when it hurts?

When you’re worried about money. . .your health. . .terrorism. . .or the breakdown of society. . .where is God? This book shows He’s always with you. Where Is God When I’m Afraid? explains the causes and cure for fear, directly from God’s Word, the Bible. Fear is a natural human response to uncertainty and danger, but for those who know Jesus Christ, the apostle Paul said, “God has not given us a spirit of fear and timidity, but of power, love, and self-discipline” (2 Timothy 1:7 nlt). When we realize that “God has said, ‘Never will I leave you, never will I forsake you’” (Hebrews 13:5 niv), we can live life with confidence.

Award-winning author Philip Yancey takes you for a soul-searching look at two of Christianity’s most important topics WHAT’S SO AMAZING ABOUT GRACE? In this critically acclaimed, bestselling book, Philip Yancey explores the church’s great distinctive—grace—at street level. If grace is God’s love for the undeserving, and if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Offering compelling, true portraits of grace’s life-changing power, Yancey searches for its presence in his own life and in the church. And he challenges us to become living answers to a world that desperately wants to know, What’s So Amazing About Grace? WHERE IS GOD WHEN IT HURTS? If there is a loving God, then why is it that ... ? You’ve heard that question, perhaps asked it yourself. No matter how you complete it, at its root lies the issue of pain. In this award-winning book, Philip Yancey reveals a God who is neither capricious nor unconcerned. Using examples from the Bible and from his own experiences, Yancey looks at pain—physical, emotional, and spiritual—and helps us understand why we suffer. Where Is God When It Hurts? will speak to those for whom life sometimes just doesn't make sense. And it will help equip anyone who wants to reach out to someone in pain but doesn’t know what to say.

Hard times make us look for God. Everyone has problems. But if we could solve all our difficulties ourselves, would we ever search for God? Psychologist John Townsend says "It is actually the very unfixability of our problems and our powerlessness to bring right results that keep us asking, 'Where is God?'" With a compelling narrative, Townsend offers new insights into the pursuit for God's help and presence. Designed to give readers hope and meaning, he divides the discussion into three parts: Why does a loving God allow us to experience difficulties? How is God active in the middle of our hard times? How can I find God? With powerful stories and practical applications, Where Is God? assures readers that even when it feels as though God is absent it is his nature to be in relationship, to connect with, love, and guide us. And when we seek him with all our heart, soul, mind, and strength, he shows up in ways that transform us forever.

Suffering and evil affect us all, both at a general level, as we look at a world filled with injustice, natural disasters and poverty, and at a personal level, as we experience grief, pain and unfairness. And how we think about and process the reality of pain is at the heart of why many people reject God. Dr. Amy Orr-Ewing is no stranger to pain and gives a heartfelt yet academically rigorous examination of how different belief systems deal with the problem of pain. She explains the unique answer that is found in Christ and how he can give us hope in the reality of suffering. This empathetic, easy-to-read and powerful evangelistic book is good for both unbelievers and believers alike. It will help those hoping to answer one of life's biggest questions as well as those who are either suffering personally or comforting others.

Asking profound questions about suffering and the nature of God, one of the world's most popular evangelists shows readers how to confront the world's evil without losing their faith. Reprint.

Is God to blame? This is often the question that comes to mind when we confront real suffering in our own lives or in the lives of those we love. Pastor Gregory A. Boyd helps us deal with this question honestly and biblically, while avoiding glib answers. Writing for ordinary Christians, Boyd wrestles with a variety of answers that have been offered by theologians and pastors in the past. He finds that a fully Christian approach must keep the person and work of Jesus Christ at the very center of what we say about human suffering and God’s place in it. Yet this is often just what is missing and what makes so much talk about the subject seem inadequate and at times even misleading. What comes through in Is God to Blame? is a hopeful picture of a sovereign God who is relentlessly opposed to evil, who knows our sufferings and who can be trusted to bring us through them to renewed life.

POINTS OF INTEREST- Where is God? is a new edition of the previously published Deceived by God? featuring revised and expanded content and an up-to-date report on John’s wife, as well as his own further reflections from the last several years.- Where is God? is not for academic philosophers, but for ordinary people who will relate to a very personal story of suffering and grief.

In this Enhanced eBook edition, Philip Yancey is featured in exclusive videos, offering insight into the stories and people he has encountered along the way. Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith. The question he tackles in WHAT GOOD IS GOD? concerns the practical value of belief in God. His search for the answer to this question took him to some amazing settings around the world: Mumbai, India when the firing started during the terrorist attacks; at the motel where Martin Luther King Jr. was assassinated; on the Virginia Tech campus soon after the massacre; an AA convention; and even to a conference for women in prostitution. At each of the 10 places he visited, his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested. WHAT GOOD IS GOD? tells the story of Philips journey--the background, the preparation, the presentations themselves. Here is a story of grace for armchair travelers, spiritual seekers, and those in desperate need of assurance that their faith really matters.

Philip Yancey has a gift for articulating the knotty issues of faith. In this 25th Anniversary edition of Disappointment with God, Yancey poses three questions that Christians wonder but seldom ask aloud: Is God unfair? Is he silent? Is he hidden? This insightful and deeply personal book points to the odd disparity between our concept of God and the realities of life. Why, if God is so hungry for relationship with us, does he seem so distant? Why, if he cares for us, do bad things happen? What can we expect from him after all? Yancey answers these questions with clarity, richness, and biblical assurance. He takes us beyond the things that make for disillusionment to a deeper faith, a certitude of God's love, and a thirst to reach not just for what God gives, but for who he is. Included in this anniversary edition is a study guide with questions about these perplexing questions of faith that the author confronts.
